Special Event: *Donors of Food List

Event: _____

Date: _____

Location: _____

Contact Person: _____ **Phone:** _____

Name of Donor	Type of Food Donated	Address (in full)	Telephone Number

***List is required to determine if any potentially hazardous food has been donated to the event. This information is important in the event of a food bourne illness outbreak (e.g. food poisoning). "Potentially hazardous food" refers to any food that is capable of supporting the growth of pathogenic organisms or the production of any toxins by these organisms. Examples include foods containing meat or poultry, dairy products, cooked rice, egg salad and potato salad.**

For more information, call a Public Health Inspector at 625-5930 or 1-888-294-6630, ext. 5930.
