January

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>Do New Years Resolutions quickly fall by the wayside as life gets busy? Think about all of the good and not so good things about your current and planned fitness routine so you'll have a deeper commitment. Set SMART (specific, measurable, achievable, realistic, timely) goals that are tied to behaviour and not to weight loss. For example I will be active 2 days during the work/school week with my family after supper. Want more about achieving your goals?</p>						<p>Happy New Year! Resolve to make regular physical activity a part of your family's routine.</p>

				<p>Replace "you can't watch TV" with "let's pause to play" & you will be amazed by the creativity that abounds! Your family will enjoy making memories with you rather than sitting idly watching TV.</p>		<p>Volunteer at the animal shelter. Animals need love, attention and exercise. This is a great opportunity for the whole family. teach</p>

Encourage your entire family to participate. Call 625-5901 for more information.</p>				<p>23 Bundle up and go ice fishing! Visit www.mnr.gov.on.ca for regulations.</p>
