Take the Nature Trail Scavenger Hunt Challenge!

Get the whole family together and see how many different nature items you can find on your hike. Each person earns one point for every object they see. Pack some water and a healthy snack. Make sure to leave the items where you found them and have fun! When you're done, visit us online at TBDHU.com and tell us how you did.

		Maple Leaf			Bird
		Pine Cone			Mushroom
		Birch Trees			Feather
		Insect			Water
		Fern Leaves			Flowers
		Spider Web			Yellow or Red Leaves
		Spider			Wild Berries
		Hollow Tree		What else did you see? Draw a picture.	
		Interesting Rock			
		Animal			
	Thunder Bay District Health Unit			Going on this scavenger hunt with my family made me feel _____.
