

***The more kids and teens see smoking in movies the more likely they are to start.***

### ***What can you do?***

- Talk to your kids about smoking scenes in movies. Why is it there? Would the movie change if smoking was removed?
- Search movies to make sure they are smoke-free at [smokefreemovies.ca](http://smokefreemovies.ca)
- Visit [smokefreemovies.ca](http://smokefreemovies.ca) to learn more and take action!
