

April 22 is Earth Day

Earth day starts at home. Check out this great video that offers 5 simple, low-cost action tips to protect children from toxic substances commonly found in the home.

www.healthyenvironmentforkids.ca/resources/creating-healthy-home-environments-kids-top-5-tips

1. bust that dust
2. go green when you clean
3. renovate right
4. get drastic with plastic
5. dish safer fish
