All children attending a licensed daycare in Ontario are required to be immunized against certain vaccine preventable diseases as outlined in the *Child Care and Early Years Act, 2014* (CCEYA) or have a valid exemption filed with the Health Unit. Daycare facilities and Health Units are required to have this information on file for every child attending the daycare.

Most health care providers do not forward immunization information to Health Units. Please submit your child's immunization record using one of the options below to the Health Unit and submit a copy to the daycare facility.

1. Please submit the immunization record using one of these options:

Online: [www.tbdhu.com/immunizations](http://www.tbdhu.com/immunizations)

Fax: (807) 625-4828

Mail: Thunder Bay District Health Unit, 999 Balmoral Street, Thunder Bay, ON P7B 6E7

Daycare: Attach a copy of the record to this form and return to your daycare

2. If you do not have a record, please obtain a copy from your Health Care Provider.

**PLEASE RETURN THIS FORM TO THE CHILD CARE PROVIDER**
