

Have questions about COVID-19 and schools?

[TBDHU.COM/safereturn](https://www.tbdhu.com/safereturn) has the most up-to-date information about screening before school, symptoms and when to return to school, how to access testing, and more.

Parents should screen their child(ren) every day before school using the student screening tool at www.covid-19.ontario.ca/school-screening/.

To book a test for you or your child visit www.tbdhu.com/testinginfo for a test centre near you.

Test results can be found at <https://covid19results.ehealthontario.ca:4443/agree> Return time for test results varies. Keep checking back.
