Important School Immunization Information for Grade 7 Students

2023/2024 School Year

Dear Parent or Legal Guardian:

As part of Ontario's Grade 7 Immunization Program, the Thunder Bay District Health Unit offers the following immunizations at your child's school:

Meningococcal-C-ACYW-135 Vaccine	1 dose * required for school attendance
Human Papillomavirus-9 Vaccine	2 doses given 6 months apart
Hepatitis B Vaccine	2 doses given 6 months apart

With parental consent, the Health Unit's immunization team is planning to provide **two** in-school immunization clinics at your child's school.

What you need to do:

Review the Immunization information in this package.

Complete and sign the attached consent form.

Return the form to your child's school office by **Tuesday, September 19.**

Visit www.tbdhu.com/schoolimmunizations for school clinic dates.

For more information or to submit records:

Online at:
TBDHU.COM/schoolimmunizations

Call the Immunization Department
625-5900 or your local branch office

PLEASE NOTE:

1. If you decide to have your child immunized by your Health Care Provider, please submit the information to the Thunder Bay District Health Unit immediately following the immunization.
2. Parental consent for vaccines offered in Grade 7 remain active for the duration of your child's Grade 7 and 8 school years, so that missed vaccines in Grade 7 can be offered at school clinics when your child is in Grade 8.
