The Health Unit can provide support.

The Immunization of School Pupils Act (ISPA) is an Ontario law that requires students attending school in Ontario be vaccinated against nine specific diseases.

Make sure your child is up to date!

1. Find out if your child's record is up to date. Visit TBDHU.com/schoolimmunizations or call the Health Unit to learn more about the ISPA and the vaccines your child needs.
2. Get missing vaccines from your health care provider or Health Unit clinic. To learn more about Health Unit options, visit TBDHU.com/vaxclinics.
3. Report vaccines to TBDHU if given by another health care provider. See how you can securely report this information at TBDHU.com/vaxreport.
